Take advantage

of a 0.25% interest rate bonus on your CDs.

One great account. One great deal.

You already receive a preferred interest rate bonus above our posted rates on CDs. Now, when you purchase two or more CDs at the same time, each with a different term, you'll earn an additional interest rate bonus of 0.25% on each CD.

Getting two or more CDs with different terms is known as laddering and it's a great way to increase the potential earnings on your savings. The interest rate bonus offer, which expires December 31, 2002, is your reward for being an Advantage for Seniors™ customer.

To learn more about CD laddering and this special CD offer, talk with a banking center associate or call 1.800.900.9000.
